

«KVINT» DIVINE TASTING

Factory location: Tiraspol city, Transnistria, Republic of Moldova. About 75 km from Chisinau (1,5 h drive).

The history of KVINT dates back to 1897, when the first rectification warehouse was built and launched into operation in Tiraspol. At that time, it was specialized in production of 40% alc. vodka from homemade grape wines. The production of divines was started 4 decades later.

Nowadays this company with 125 years of history holds a leading position among the manufactures of alcoholic beverages in Moldova.

Visit the brandy factory in Tiraspol “KVINT” producing excellent spirits like divines, whisky, liquors, vodka, wine and see for yourself you are sampling high quality local product boasting lots of International Awards and Medals.
